SUMMARY

Full-Stack Developer with experience building 5+ scalable web platforms including multi-vendor e-commerce, SaaS tools, and healthcare systems. Skilled in MERN and PERN stacks with focus on performance, clean architecture, and real-world product delivery. Passionate about building scalable systems and exploring AI-driven applications.

SKILLS

Languages: JavaScript, C#, SQL

Frameworks: React.js, Next.js, Node.js, Express.js, ASP.NET

Databases: MongoDB, PostgreSQL, SQL Server

Tools: Git, GitHub, Postman

Concepts: Data Structures & Algorithms, REST APIs, System Design, Agile

EXPERIENCE

.NET Developer Intern

Sep 2024 – Dec 2024

Ashtam Technologies, India

- Developed and maintained web applications using ASP.NET and C#, improving backend efficiency.
- Collaborated in Agile teams to deliver production-ready features and bug fixes.
- Assisted in debugging, testing, and deploying applications, reducing system errors.
- Gained hands-on experience with SQL Server and full software development lifecycle.

PROJECTS

Nandurbar Bazar – Multi-Vendor E-Commerce Platform

<https://gocart-delta.vercel.app> | github.com/RajChaudhari7/gocart

- Built a full-stack multi-vendor marketplace using Next.js, PostgreSQL, and Prisma with role-based access for users, sellers, and admins.
- Integrated Stripe payments, Cash on Delivery (COD), coupon system, and Prime membership features.
- Leveraged Gemini AI to auto-generate product descriptions and pricing from uploaded images.
- Designed scalable APIs and dashboards for managing products, orders, and sellers.

Jobify – Job Portal (MERN Stack)

<https://jobify-psi-five.vercel.app/> | github.com/RajChaudhari7/Jobify

- Developed a job portal with separate workflows for job seekers and recruiters.
- Implemented job posting, application tracking, and secure authentication using the MERN stack.
- Built RESTful APIs and a responsive UI for seamless job discovery and recruitment processes.

ProjectSync – Project Management System

<https://project-sync-liard.vercel.app/> | github.com/RajChaudhari7/ProjectSync

- Built a full-stack project management platform to streamline team collaboration and task tracking.
- Implemented CRUD operations, authentication, and real-time workflow handling.
- Designed a scalable backend and intuitive user interface using the MERN stack.

EDUCATION

Master of Computer Applications (MCA)

2025 – 2027

Garden City University, Bengaluru

1st Semester Percentage: 96.18% | Currently Pursuing

Bachelor of Vocational (B. Voc - Software Development)

2022 – 2025

Sardar Patel University

CGPA: 8.3

CERTIFICATIONS

- Tata GenAI Data Analytics Simulation
- HTML, CSS, JavaScript for Web Developers
